2019 Compliance Poster Order Form

California and Federal Employment Notices Poster. Our 28" x 44" all-in-one poster contains the 17 state and federal notices every California employer must post. This update reflects mandatory changes effective January 1, 2019.

Be sure to display a poster in each company location where employees and applicants can easily read it, such as a break room or a common hallway. You will need both English and Spanish poster versions if you have Spanish speaking employees. If you pay "Poster Protect" insurance you will receive a complimentary poster if new laws are enacted by the California Legislature during 2019.
